Dear Sir,

As your bank would allow only $300.00, we have taken the liberty of sending part of your order and applying the rest of the $300.00 as credit toward lay-away.

We have done this to secure you of all the coins you requested (except 1849 ½ ¢ - sold out).

There is no additional charge

8/18/70

Please ship the Lay away at once

I am returning the 1855 1/2 Cent from my Previous order of 8/13/70 this Coin has a very bad edge dent at 4 O'Clock on the obverse RIM it is Plainly Visable Without even opening the Holder.

I hope the layaway Order grading is better than what was on the Previous Order I dont believe that I have ever dealt with a dealer who overgraded as you did on the Previous Order.

Therefore Will you Please send me a check for a refund of $265.45

I must Comment on your grading of Coins. In Each Case I examined the Coin and Compared it to the Price. Dear Robert,

[illegible] you'll put it to good use.

The 1862 turned out to be a little more than I expected. Roger probably knows all 1862's were made from Blankets made from Spoiled Cloth. The obverse exhibits some [illegible] features of the cloth whereas the reverse has some Raised out dentides which may have misleaden for a Mutilation.

These are what I'm talking

HALF

I have seen this on a Number of Half Cents which were struck over C.S.A. This is now the 3rd specimen of 1862 C.S.A. which has traces of the reverse type Dentils.

The battle of the century on Half Cents will occur sometime after the April 15th. Probably in May. The Call of Combat will be if Roy Murdoch or you should check with him. We haven't set the date yet. Should be interesting as between Roy and myself we have all the varieties listed in my book.

Sincerely,
Roger
